

Hebei TangCai Kitchen Products Co., Ltd

- Traditional and light weight cast iron enamel cookware
- Cast iron pre-seasoned oil cookware
- Nitrogenized cookware

TANGCAI INTRODUCTION

Hebei TangCai Kitchen was founded in 2017, is a professional manufacturer of cast iron cookware in Hebei Province.

Our production base covers an area of 80,000 square meters, owns several DISA casting lines and pre-seasoned production lines, several enamel lines, and other automation and test equipment.

We design and produce vegetable oil / enamel coating cast iron skillet & frying pan, cast iron dutch oven & casserole, cast iron bakeware, cast iron combo cookware, cast iron sauce pan, cast iron wok, cast iron grill pan & griddle, cast iron cookware set etc.,

With an annual capacity of production is 20,000 tons, 1500sets of molds can be selected, more than 20 new items are launched every year.

All products follow strict quality control procedures from raw material procurement, production to packaging.

Our products have been exported to 10+ countries.

We have the certificates of ISO9001, ISO14001, and BSCI.

All products that comply with international quality standards can pass the test of EU, LFGB, and FDA.

After many years of development, we have gained a good reputation for top quality & customer services worldwide.

TANGCAI ADVANTAGES

Manufacture is transformed by strategy driven.

More than 20 years manufacturing experience,

Premium quality achieve the strict test standards,

Independent research,development and design,

Productivity by advanced technology and cutting edge facilities,

Daily production capacity:5000 sets casseroles10000 pieces pans and others.
